Service:	<i>Wellbeing Services - Mental Health Support Team</i>
Job Title:	<i>Trainee Education Mental Health Practitioner (EMHP)</i>
Reports To:	<i>Team Leader – Mental Health and Wellbeing Service / Service Manager</i>
Location:	<i>Home-based, Exeter/Bristol University and education settings countywide</i>
Main Purpose of Post: <i>Briefly – what is the job there for and why is it being done? Please attach an organisation chart to show clearly, the department structure and where the job fits with this.</i>	
<p>This is a training role within the Children and Young People's Improving Access to Psychological Therapies Programme (CYP IAPT), delivered by Health Education England and partners to improve existing young people's mental health services working in the community.</p> <p>The postholder will:</p> <ol style="list-style-type: none"> 1. Work under supervision, as part of a team of Education Mental Health Practitioners, to deliver high-quality, brief outcome focused evidence-based interventions for children and young people with mild to moderate mental health difficulties 2. Support vulnerable and disadvantaged children and young people with emotional and/or mental health needs to rise above life's challenges, build resilience, achieve positive and sustainable outcomes 3. Attend all university-based taught and self-study days required by University and work in service for the remaining days using newly developed skills 	
Main Responsibilities and Duties: <i>What needs to be done? – Describe the main responsibilities and duties required of the job. This should include responsibilities for the support or management of clients, employees, budgets, processes and equipment.</i>	

THERAPUTIC SKILLS

- Assess and deliver, under supervision, outcome focused evidence-based interventions in educational settings for children and young people experiencing mild to moderate mental health difficulties.
- Working in partnership to, support children and young people experiencing mild to moderate mental health difficulties; their families and educators in the self-management of presenting difficulties.
- Work in partnership with children, young people, their families and educators in the development of plans for the specific intervention and agreed outcomes.
- Support and empower children, young people, and families to make informed choices about the intervention.
- Always operate from an inclusive values base, which recognises and respects diversity.
- Undertake accurate assessment of risk to self and others.

- Adhere to the service referral protocols. Under supervision signpost unsuitable referrals to the relevant service, as necessary.
- Through close clinical case management supervision, escalate cases where the level of need becomes beyond scope, or more severe ensuring adherence to other relevant elements of service delivery.
- Provide a range of information and support for evidence based psychological treatments. This may include guided self-help. This work may be face-to-face, by telephone or via other media.
- Adhere to an agreed activity contract relating to the overall number of children and young people contacts offered, and sessions carried out per week in order to improve timely access and minimise waiting times.
- Attend multi-disciplinary meetings relating to referrals or CYP in treatment, where appropriate.
- Keep coherent records of all activity in line with service protocols and use these records and outcome data to inform decision making. Complete all requirements relating to data collection.
- Assess and integrate issues relating to transitions, education, and training/employment into the overall therapeutic process.
- Within own degree of competence, continuously contribute to the development of individual, group clinical materials or training materials.
- Work within a collaborative approach involving a range of relevant others when indicated.
- Work in collaboration with children, young people, and communities to enhance and widen access.

TRAINING AND SUPERVISION

- Attend and fulfil all the requirements of the training element of the post including practical, academic, and practice-based assessments.
- Fulfil private study requirements to enhance learning and prepare assignments for examination for at least one day a week.
- Apply learning from the training programme to practice.
- Receive supervision from educational providers in relation to course work to meet the required standards.
- Prepare and present case load information to supervisors within the service on an agreed and scheduled basis, to ensure safe practice and the governance obligations of the trainee, supervisor and service are delivered.
- Respond to and implement supervision suggestions by supervisors in practice and be involved in the evaluation of the course.
- Engage in and respond to personal development supervision to improve competences and practice.
- Disseminate research and service evaluation findings through presentations and supervisory discussions.

PROFESSIONAL

- Once qualified, you are expected to uphold professional registration with the Wider Psychological Professions register through either BPS or BABCP.

- Ensure the maintenance of standards of practice according to the employer and any regulating bodies and keep up to date on new recommendations/guidelines set by the relevant departments.
- Ensure that confidentiality policy is followed.
- Ensure that any identified risk or issues relating to the safety and wellbeing of everyone involved is fully communicated and shared with the appropriate parties to maintain individual safety and public interest.
- Ensure clear objectives are identified, discussed, and reviewed with supervisor and senior colleagues on a regular basis as part of continuing professional development.
- Participate in individual performance review and respond to agreed objectives.
- Keep all records up to date in relation to Continuous Professional Development and ensure personal development plans maintains up to date specialist knowledge of latest theoretical and service delivery models/developments.
- Attend relevant conferences/workshops in line with identified professional objectives.

GENERAL

- Contribute to the development of best practice within the service.
- Ensure a comprehensive understanding of the relevant safeguarding legislation, guidance and best practice.
- Maintain up-to date knowledge of legislation, national and local policies and procedures in relation to children and young people's mental health.
- All employees have a responsibility and a legal obligation to ensure that information processed is kept accurate, confidential, secure and in line with the Data Protection Act (2018), GDPR and relevant policies.
- It is the responsibility of all staff that they do not abuse their official position for personal gain, to seek advantage of further private business or other interests in the course of their official duties.
- This Job Description does not provide an exhaustive list of duties and may be reviewed in conjunction with the post holder considering service development.
