- Ensure regular reviews of young people are undertaken and recorded appropriately
- Carrying out risk assessments and resolve any health and safety issues, as directed by the Young Somerset Health and Safety Lead.
- Provide supervision and support to the young people when working within the wider organisation and within their respective work placements to ensure compliance with business needs.
- Ensure there is a confidential space to complete admin tasks such a data and reporting for the young people on the caseload.

Relationships

- To work in partnership with families and other key people in the young person's life, as well as with professionals from other organisations involved with young people such as social care, health, police, education, youth offending teams and local authorities, in order to build a strong support network.
- Building collaborative relationships with a wide range of local stakeholders and establish key employability connections.

Other

- To attend regular training and development opportunities to maintain an up-to-date knowledge of safeguarding, health and safety, and local policy developments aligned to organisational need.
- Undertaken essential training for the role.
- Attend regular training and development opportunities.
- Contribute to best practice within the service.
- Reporting of safeguarding concerns, following organisational processes.

The post holder may be required to undertake additional duties commensurate with the level of this post.

Facts and Figures:

Young Somerset (YS) was established in 1997 (as Somerset Rural Youth Project) with a mission to work with young people, encouraging them to take responsibility, supporting them to overcome disadvantage, and to become actively involved in shaping the communities in which they live.

Our vision is a Somerset where young people feel a sense of belonging, a desire to contribute to their communities and have a future that is not limited by poor access to opportunities and services. This is delivered through three strands of work: Targeted Youth Work, Alternative Education Provision and Enterprise; and Mental Health Support.

During the past year, Young Somerset's LICBT services (Community Wellbeing and Educational Mental Health Support) received more than 1800 requests for support, predominantly from young people aged 11-17. Our Jigsaw Project, which supports young people who have had a recent hospital admission for their mental health difficulties or low emotional wellbeing, delivers in the region of 600 contacts a year and is aimed at reducing readmission to hospital using a youth-work strengths-focused approach. Our Targeted Youth Service provides targeted youth work activities and interventions to approximately 500 young people a year, a percentage of which are referrals from Special Schools, Pupil Referral Units, the Police or social services.

Young Somerset deals with in excess of 200 safeguarding concerns a year, which is growing as the organisation expands and diversifies.

Young Somerset employs 100+ members of staff and several volunteers; over half of which work in direct support of high need young people and/or those with mild to moderate mental health needs.

The postholder will be expected to operate largely under own initiative, but supported by colleagues in the Business and Innovation Service, who provide central support services to the wider organisation and are based at both Bold and Brave and the cafe on a rota basis. It is expected that the Café will be used by a wide range of partner organisation and other staff in Young Somerset to run activities for young people.

The postholder will be based in Taunton but the job will require county wide travel. They may also be required to travel to Young Somerset premises to attend meetings or training. They may also be required to provide support at other Young Somerset enterprise venues, and to support other organisational events as appropriate.

Additional Information

The postholder must be able to demonstrate commitment and enthusiasm towards Young Somerset's four core values: Putting Young People First, Inspiring, Collaborating, Going Further.

The post holder will be required to travel across West Somerset to ensure visits can take place with young people at their work placements.

An Enhanced DBS clearance is required as post holder will be working in close proximity to children. This post is exempt from the Rehabilitation of Offenders Acts.

The post holder will be required to maintain a suitable, confidential space to work from home.

The salary is £28,444 fte based on 37 hrs per week. Part time hours considered.

Holiday entitlement is 27 days, plus 8 Bank Holidays (pro rata for part time staff), with an additional 5 days after 5 years service (pro rata for part time staff).

The postholder will be required to work a shift pattern which might include the occasional evenings and weekends.
